Moatfield Farm Park > Leslie and Lesmill (near 401)

<http://tntsoccer.tripod.com>

Location :

Located just south of Leslie and the 401 on Lesmill Road. New field for 2004.

Driving Directions :

Take the 401 east or West to the Leslie exit and head south on Leslie (away from North York Hospital) until you reach Lesmill, turn left onto Lesmill, on the east side of Leslie.

At this time I am unsure about parking.

Subway Directions :

Take the subway north to Sheppard and transfer onto the new line heading east. Exit at Leslie and head south on Leslie (away from North York Hospital) until you reach Lesmill, turn left onto Lesmill, on the east side of Leslie.

I am sure there are buses running as well if you don't want to walk it.

Note : If you notice a map is wrong let Kirsten know so she can upload corrections.

Call Joe's cell if you get lost.
